**24/7 Access To  
Your Benefits  
Any Time  
Any Where**

*Wisconsin Laborers'  
Health and Pension Fund*

Displays current address, dependents, birthdates, and more.

This page shows what contribution hours have been received and for what work month.

Eligibility status is based on contributions received and posted. This page displays current eligibility with the fund.

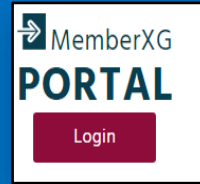

Check HRA balance, check status of HRA payments, and file an HRA claim.

Looking for a yearly pension summary? This page will show yearly summaries, vesting credits to date, and pension projections.

## What is MemberXG?

MemberXG is an online portal that lets You access claims submitted, hours reported, pension projections, HRA balance, and more!

## Where Do I Sign Up?

1. Go to [www.wilbenefits.com](http://www.wilbenefits.com)
2. Click on the MemberXG Login icon
3. Click on the green create account icon
4. Create a password
5. Go back to MemberXG log in screen and log in
6. A dashboard will come up with separate icons for pension, claims, eligibility, WEX (HRA), etc.

*Note: For easy access make sure all of your pop up blockers are turned off*

Look up health claim history here.

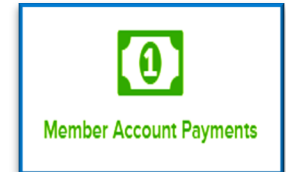

*HIPAA Law: domestic partners,/spouses/child dependents over 18 will need to create their own account, or a waiver form will need to be filed with the fund, to see their claims.*

Find out what you have already paid towards your yearly deductible.

This page displays vacation fund information such as issued date, check number, and amount.

Look at any Loss of Time or Short Term Disability Claims processed by the fund office.
