The screenshot shows a user interface with a top navigation bar containing 'HOME', 'SHOP', 'ACTIVE', 'HISTORY', and a settings gear icon. The main content is divided into two columns. The left column features a 'My Claims' section with a magnifying glass icon over a document and the text 'No recent claims to review at this time.' Below this is a shopping cart icon with a magnifying glass and a 'SHOP FOR HEALTHCARE!' button. The right column features an 'Earned Achievements' section with a sub-header 'Your earned badges accrue here'. It lists five achievements: 'Verified Phone' (5 Points), 'Verified Fax' (5 Points), 'Verified Email' (5 Points), 'Legislative Change Awareness' (25 Points), and 'First Login' (15 Points). To the right of these is a grid of 24 achievement badges, some of which are highlighted in color (orange, green, yellow, blue) and some have a '2x' multiplier. Below the achievements is a 'Possible Achievements' section with the text 'Click on the badges for more information'.
