RE: Online Employer Remittance

Dear Employer:

The Wisconsin Laborers Benefit Funds would like to invite you to remit your local fringe benefit reports, and payments electronically over a secure website through the Benefit Plan Administration, ("BPA").

The usage of this program is designed to save you and the fund time and money in remitting your benefits. This program allows you to schedule a date for the transfer of funds which, in time, will be a benefit to all parties and will allow you more investment time of your company's funds.

If you do not want to sign-up for electronic payment, you can submit online and send a check for your benefits. If you remit for more than one local/area/zone, we will set these up separately on the portal.

If you are interested in Online Submission, please complete the information requested on the following page and return via mail, email to amy.bellis@benesys.com or fax us at 608-846-3192.

Thank you
