The Contractor and the Union agree as follows:

1. The Contractor recognizes the Union as the sole and exclusive bargaining representative for and on behalf of the employees of the Contractor within the territorial and occupational jurisdiction of the Union, as specified in the Statewide Asbestos Removal Agreement referred to as "Agreement". All conditions of Asbestos Agreement including, but not limited to, wages, fringe benefits, working conditions, etc. to apply to the removal of mold, lead materials or hazardous waste materials.
2. The Union and the Contractor hereby adopt the Agreement, dated June 1, 2019, and both the Contractor and the Union agree to be bound by all the terms and conditions of said Agreement.
3. This Agreement and the adoption of the Agreement between the Union and the Contractor shall be effective as of date signed and remain in effect to and including the expiration of the Agreement between the Union and the Contractor. This Agreement shall continue in effect from year to year thereafter and specifically adopt any successor agreement entered into between the Union and the Contractor subsequent to the expiration date of the Agreement adopted herein, unless notice of termination or amendment is given in the matter provided herein.
4. In the event of a strike over negotiations for a successor Agreement, it would not be considered a violation of this Agreement for the Contractor to stop work or for the Union to stop work for the duration of the strike.
5. Either party desiring to amend or terminate this Agreement must notify the other in writing at least sixty (60) days prior to the expiration date of the Agreement between the Union and the Contractor.
