

The Summary of Benefits and Coverage (SBC) document will help you choose a health plan. The SBC shows you how you and the plan would share the cost for covered health care services. **NOTE: Information about the cost of this plan (called the premium) will be provided separately.**

**This is only a summary.** For more information about your coverage, or to get a copy of the complete terms of coverage, call 1-800-397-3373. For general definitions of common terms, such as allowed amount, balance billing, coinsurance, copayment, deductible, provider, or other underlined terms, see the Glossary. | Important Questions  | Answers   | Why This Matters:  |
|--|---|--|
| <b>What is the overall deductible?</b>                             | <b>\$350</b> Person or <b>\$700</b> Family.<br>(January 1 – December 31)  | Generally, you must pay all of the costs from <u>providers</u> up to the <u>deductible</u> amount before this <u>plan</u> begins to pay. If you have other family members on the <u>plan</u> , each family member must meet their own individual <u>deductible</u> until the total amount of <u>deductible</u> expenses paid by all family members meets the overall family <u>deductible</u> .  |
| <b>Are there services covered before you meet your deductible?</b> | Yes. <u>PPO preventive services</u> , <u>PPO office visits</u> , outpatient mental health/substance use disorder services, and <u>PPO inpatient mental health/substance use disorder services</u> are covered before you meet your <u>deductible</u> .                                    | This plan covers some items and services even if you haven't yet met the <u>deductible</u> amount. But a <u>copayment</u> or <u>coinsurance</u> may apply. For example, this plan covers certain <u>preventive services</u> without <u>cost sharing</u> and before you meet your <u>deductible</u> . See a list of covered <u>preventive services</u> at <a href="https://www.healthcare.gov/coverage/preventive-care-benefits/">https://www.healthcare.gov/coverage/preventive-care-benefits/</a> |
| <b>Are there other deductibles for specific services?</b>          | Yes. <b>\$300</b> per Person for Organ Transplant. There are no other specific <u>deductibles</u> .   | You must pay all of the costs for these services up to the specific <u>deductible</u> amount before this <u>plan</u> begins to pay for these services.   |
| <b>What is the out-of-pocket limit for this plan?</b>              | <u>Medical: PPO: \$6,600</u> Person or <b>\$13,200</b> Family; <u>Non-PPO: \$25,000</u> Person or Family.<br>(January 1 – December 31)<br><u>Prescription drugs: \$2,500</u> Person or <b>\$5,000</b> Family<br>(January 1 – December 31)   | The <u>out-of-pocket limit</u> is the most you could pay in a year for covered services. If you have other family members in this <u>plan</u> , they have to meet their own <u>out-of-pocket limits</u> until the overall family <u>out-of-pocket limit</u> has been met.  |
| <b>What is not included in the out-of-pocket limit?</b>            | <u>Medical: Premiums, prescription drug copayments, balance billing charges, and health care this plan does not cover.</u><br><u>Prescription drugs: Premiums, medical expenses, SaveOnSP specialty drug copayments, balance billing charges and health care this plan does not cover</u> | Even though you pay these expenses, they don't count toward the <u>out-of-pocket limit</u> .   |

| Will you pay less if you use a <u>network provider</u> ?   | Yes. See <a href="http://www.anthem.com">www.anthem.com</a> for a list of <u>PPO providers</u> . | This <u>plan</u> uses a <u>provider network</u> . You will pay less if you use a <u>provider</u> in the <u>plan's network</u> . You will pay the most if you use an <u>out-of-network provider</u> , and you might receive a bill from a <u>provider</u> for the difference between the <u>provider's</u> charge and what your <u>plan</u> pays ( <u>balance billing</u> ). Be aware your <u>network provider</u> might use an <u>out-of-network provider</u> for some services (such as lab work). Check with your <u>provider</u> before you get services. |
| Do you need a <u>referral</u> to see a <u>specialist</u> ? | No.  | You can see the <u>specialist</u> you choose without a <u>referral</u> .   |

 All copayment and coinsurance costs shown in this chart are after your deductible has been met, if a deductible applies.

NOTE: A Health Reimbursement Arrangement (HRA) is also available under this plan. The HRA generally covers expenses that qualify as allowable "medical care" by the IRS and satisfy any requirements imposed by the plan. You may be eligible to file for reimbursement of some of these expenses, as permitted by the plan's Health Reimbursement Arrangement. These numbers assume the patient does not participate in the plan's wellness program. If you participate in the plan's wellness program, you may be able to reduce your cost. For more information about the wellness program, please contact: 800-397-3373.

The plan would be responsible for the other costs of these EXAMPLE covered services.
