

You have earned an e-gift card!

Congratulations on completing your Biometric Screening and earning a \$150 e-gift card! If you have met your required healthy outcomes, you are eligible to receive an additional \$150 gift card incentive.

Your results will post to your wellness account on the **MemberXg Portal** within 3–5 business days after the screening. Follow the instructions below to redeem your gift card!

1. Once your results are loaded, you will receive an email from (info@hawkmarketplace.com) within 7 days.
2. Click the redemption URL in that email to select your gift card vendor. Options include Mastercard and Amazon.
3. Select **'Add to Cart'**.
4. Enter your name and email address, and check the box after reading the terms. Ensure your email is correct!
5. Click **'Complete My Order'**
6. After you make your selection, you will receive a second email containing the gift card code to the email you provided. Follow the instructions included in the Rewards Message to redeem.

If you have any questions regarding your gift card, please reach out to info@mywellportal.com.
