Brothers and Sisters,

A union membership means more than having a job. It means building a career. To have a career means having the strength, protection and peace of mind because of union benefits. Collective Bargaining Agreements (CBAs) and an experienced staff help empower and safeguard you in the workplace, day in and day out. While away from the job site a union membership protects you and your family by delivering health care and retirement benefits. Union membership provides a foundation of skill-advancement training as a constant source of personal enrichment and career progression.

The Wisconsin Laborers' District Council prides itself on positioning members for success and helping them build careers. As a member in good standing with your local union and the Wisconsin Laborers' District Council, you and your family are eligible to take advantage of additional benefits that are being offered through the National Coalition of Labor (NCL).

This coalition represents more than 280,000 working men and women across the Midwest. Our ability to provide these benefits to you at no cost is the result of a coalition of unions that we have built and our collective purchasing power to drive down prices from benefit providers.

The Wisconsin Laborers' District Council commits to working in the best interests of our brotherhood by providing a foundation of support and protection for you and your families throughout your working careers and into your retirement.

In Solidarity,

Kent Miller
President/Business Manager
Wisconsin Laborers' District Council

Would an extra \$250 or \$500 per week of tax-free money help?*

Midwest Coalition of Labor Credit Union provides the option to skip a payment* on all of its loan products. Ask yourself — would a private bank ever do that?

COL SOCIAL SECURITY **CD** DISABILITY **NZ** INSURANCE

The National Coalition of Labor has partnered with SSDC Services Corp., a national advocacy firm specializing in Social Security Disability Insurance (SSDI) benefits and Medicare coordination. SSDC identifies whether you or your dependent(s) are eligible for SSDI benefits and early Medicare and becomes your Advocate for filing and obtaining these benefits.

WHY SSDI?

SSDI can provide disabled individuals an increased monthly income, early eligibility for Medicare benefits, additional dependent benefits and more.

WHY EARLY MEDICARE IS IMPORTANT

Medical expenses typically drop when you enroll in Medicare. Medicare plan enrollees can have lower out-of-pocket costs when they see doctors or other providers.

NO OUT-OF-POCKET PAYMENT

There is no cost unless you are awarded SSDI benefits. SSDC will never charge you for medical records or travel expenses. Fees to members are at least 20% lower than what Social Security allows.

There are many common conditions that qualify people for Social Security Disability benefits. Call (866) 729-9502 for more information.
